

Washington State Science and Engineering Fair

Tee Shirt Contest !!

Design a tee shirt for the:
2012 Washington State Science
and Engineering Fair

Any student in Washington State may enter one or more designs. The winning design will be printed in one color on the front of tee shirts to be sold at the Washington State Science and Engineering Fair (WSSEF) that will be held on March 30th and 31st, 2012. To be considered, all student entries must be submitted as a digital image (JPEG or PDF format not larger than 10”H X 8”W) along with this completed form, signed by the student and parent/guardian, [on line to WSSEF](#) by February 1st, 2012. All entries will become the property of WSSEF for its exclusive use only. The WSSEF Board of Directors will judge the finalists and select the winner. The winner will be notified by the end of February 2012, recognized at the 2012 WSSEF Awards Ceremony and receive a gift card at that time to Barnes & Noble Booksellers or Waldenbooks.

Entries will be judged on:

1. Relationship to the theme “*Promoting Future Scientists and Engineers.*”
2. Creativity and originality of design
3. Neatness
4. Artistic quality

Print Student name: _____ Age: _____

Home phone: _____ School/District: _____
